MESSAGE FROM MISS CZECK:

Last week, we started a Blurt Report in our classroom. This is something we are having problems with, so hopefully we'll be able to overcome it! Raising hands before speaking is super important, especially with our big class. Each time you blurt, an "X" is placed by your name. 5 X's=lose recess/phy. ed. time. 0 X's=one pirate point on your treasure map & name in the weekly drawing. Have a Great Week 😊 --Miss Czeck
