

Miss Czeck's SECOND GRADE

FOR the week of
↓

MARCH 7-MARCH 11

NEWS

»»» What are we Learning?

READING: We will be concentrating on r-controlled vowel sounds (ir, er, ur, or) and silent letters (gn, mb, sc, kn, wr) this week in spelling. Please continue practicing our high-frequency words (sight words) with your child as well. The spelling words are attached to this sheet.

MATH:

- *Writing Subtraction Number Sentences
- *Reviewing Subtraction-Chapter 4

GRAMMAR: We are reviewing this week.

»»» Keep in Mind...

***Library books** must be returned to school every **TUESDAY!**

***ROCKET MATH** started last week! Every day, we practice math facts, and each student takes a 1-minute timed test (40 problems). Each student has a goal, and if that goal is met, he/she moves on to the next level. I am hoping this helps us with simple math facts and mental math.

*This week's **SHOW & TELL** students are:

Broden, Henry, Logan
(Tuesday, March 8th)

Dates to REMEMBER: *Friday, March 11 (PTO Mystery Movie Night @ 5:30pm)
*Monday, March 14 (Early Dismissal @ 12:50pm) *Wednesday, March 23 (P/T Conferences)

MESSAGE FROM MISS CZECK:

I will be gone Tuesday, March 8th through Thursday, March 10th for workshops. Feel free to email me with any questions during that time. Have a wonderful week and enjoy the weather!
