### MESSAGE FROM MISS CZECK:

This week, we are doing activities with the letters M, N, O, P, Q. Today, we listened to music all day and did some M&M graphing in math! I told the kids that "N Day" is my favorite, so make sure to ask them about it! I cannot believe my little second graders are going to be third graders soon!!! Time has flown by this year, and I appreciate all your help along the way!
