

Miss Czeck's SECOND GRADE

FOR the week of
OCTOBER 12-14

NEWS

What are we Learning?

Because of the short week...

****We are working on our HANDWRITING.**

In second grade, we need to be able to form all the letters of the alphabet correctly.

****We will also be doing team building activities to help our class get along better and cooperate with each other.**

There will be many listening and group activities! I'm hoping this will be FUN and BENEFICIAL for the kiddos. 😊 In order to learn, we need to master the basics!

Keep in Mind...

***ALL** library books must be back every **TUESDAY** morning!!

***Remember, Wednesday, October 14th** is **EARLY RELEASE** at 12:50pm!

***I would like ALL** behavior charts returned every week initialed. It is important for me to know that you see them, and it is also a responsibility for your child to return them to school.

***FUNDRAISER** packets were sent home today. Please have those returned by Wednesday, October 21st.

Dates to REMEMBER: *Wednesday, October 14 (Early Dismissal @ 12:50pm)

MESSAGE FROM MISS CZECK:

This week is filled with listening, cooperation, following directions, and respect. We have a large class with diverse personalities, so these are difficult concepts to grasp. All I want is for your child to enjoy school and have fun learning! I absolutely LOVE to have fun and learn with the kids! I hope they love coming to school as much as I do!

Enjoy the LONG weekend!! 😊 Miss Czeck
